---

Three Delphos FFA members recently participated in the Sub District Job Interview Contest. They include, from left, Caitlin Landwehr, Sophia Wilson and Courtney Vanschoyck. The contest places students in a job interview like setting, requiring them to fill out a job application, go through an interview, and write a follow-up letter. The students had to send their cover letter and resumes in advance. Landwehr placed fifth in the Senior Division, Wilson placed second in the Freshman Division and Vanschoyck placed second in the Senior Division. Wilson and Vanschoyck will move onto district competition.
