At 7:24 a.m. on Monday, Delphos Police were called to the 200 block of Suthoff Street in reference to a theft complaint.

Upon officers' arrival, they spoke with the victim who stated a telephone call was received by them on Friday stating the caller was from Medicare and needed information. The victim supplied the information along with banking account information.

Delphos Police would like to remind residence that any calls they receive requesting personal information and banking information should not be given out.
