At 2:47 p.m. on Sunday, Delphos Police were contacted by a resident in the 600 block of West First Street in reference to subjects in a parked vehicle smoking what appeared to be marijuana.

Upon officers' arrival in the area, they located the vehicle and four juvenile subjects inside it. A check of the vehicle and the subjects found what appeared to be drug paraphernalia and a green leafy substance consistent with being marijuana.

The juveniles were taken into custody and later turn over to their parents. Charges are pending in this matter.
